A man in a dark suit and tie is shown from the waist up, looking upwards with a concerned expression. He is positioned in the lower center of the frame. Above him, a large, dark, angular structure, possibly part of a machine or a building, is shown in a state of disrepair. Several red, cylindrical components are visible, some of which appear to be broken or falling. Yellow sparks or light trails are scattered around the structure. A white speech bubble with a black border is located in the upper right quadrant, containing the text "CENTRAL COLUMN FAILURE. ANTIDOTE NOT RELEASED SYSTEMS DAMAGED".
